Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **210** out of **220** children have achieved this.

Well done!

This is below the National expectation.

Last week we were playing many different fairground games for fairground week. When we played Hoopla we had to throw the hoops around the logs that were numbered, then we had to say what numbers we got and add our scores together. We had lots of fun!

Tigers – FS1

FS2 have been on a school trip to the Tropical Butterfly House in Sheffield. We had a lovely day learning about all of the different animals. Mrs Kantecki, Mrs Brooke and Mrs Walker were especially proud of the fantastic behaviour and impeccable manners from all of our Perfect Pandas!

Pandas – FS2

This final term for us in Year 1 will prove to be a fun packed 7 weeks. There are plenty of creative and practical activities, with new techniques in art, for the children to enjoy whilst we are learning about sea life our new topic, Beachcombers. The children have also made you proud with all the hard work they have put into their phonics for the National Phonics Screening Tests that have been carried out this week! We will also be finding time to squeeze in a bit of practise in preparation for sports day!

Hedgehogs - Year 1

As part of our seaside topic this half term, we have been baking beach biscuits. We have also been looking at the effects of plastic pollution on our ocean and what we can do to help.

Squirrels - Year 2

Last week we were celebrating Showman week. We did lots of thing but as part of D&T, we have put together our very own merry-go-round. We had to cut and assemble very small pieces and then glue these parts together. We had to be very careful when putting it all together because if not, the parts would not turn.

Koalas – Year 3

Last week, Year 4 travelled to London to visit the Harry Potter Studios, to enhance their understanding of their class read, Harry Potter and the Philosopher's Stone. The children really enjoyed their visit and gained a better understanding of the magic behind the films and books. All of the children were impeccably behaved and a great asset to the school!

Owls – Year 4

Last week, Y5 were working extremely hard practising their basketball skills with Pat. Pat has been incredibly impressed with the talent he has seen so far!

Flamingos - Year 5

Year 6 had the fantastic opportunity on Tuesday 12th June to go to London. They had a guided tour of the Houses of Parliament and found out all about the history of democracy and about women getting the vote. Next they met our local MP Caroline Flint and they discussed issues in Hatfield Woodhouse, such as the width of the pavement. After that, they were lucky enough to go to number 10 Downing Street – this was a once in a lifetime experience. Finally, we walked down the Mall to Buckingham Palace. We had an amazing day!
