## Behaviour – Traffic Lights

At the Academy, we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be demonstrating our 3 Woodhouse Ways: Be Responsible, Be Respectful: Be Safe. The totals below show many children have achieved this each week.

This week **214** out of **214** children have achieved this.

**Well done!**

**Recent attendance data submitted to DfE shows our attendance at 95%.  
 This is below the National expectation.**

The children in FS1 have been listening to the story 'Dear Zoo' by Rod Campbell. They have been playing in our jungle themed role play area, acting out the different sounds each animal makes. Each child has made their very own wooden spoon character face for self-registration. They have particularly enjoyed the outdoor area and have been climbing, building with large bricks, and riding bikes.

**Tigers FS1**

Our little Perfect Pandas have settled into full time school very well and are having a lovely time!

**Pandas - FS2**

This week we have been honing our cutting and folding skills in Year 2. We've also been looking at 2 digit numbers in maths. We managed to meet our first class target so we had pizza and watched a movie as a reward.

**Squirrels - Year 2**

Year 1 have had a wonderful couple of weeks settling into their new routine, what superstars they have been! They have also thoroughly enjoyed their first Forest School session. Foraging, nature bracelets and a good old roll around in the grass!

**Hedgehogs - Year 1**

We had a wonderful time on our school trip to Danum Gallery, Library and Museum. We studied the materials used by the Anglo Saxon to make things and did a coprolite investigation to see what they ate. We also enjoyed the library, art gallery and museum.

**Koalas - Year 4**

Year 3 have had a great start to the new school year. The children have already begun their journey with Commando Joe and have successfully completed 2 missions!

**Owls - Year 3**

Year 6 have come back and completed their assessment on Reading Plus. They are now reading 5 books a week and answering comprehension questions. This was our 100% club, all these pupils scored a perfect 100%. If they get back-to-back 100% they receive combo points. Reading Plus is to encourage pupils to building reading stamina, develop their vocabulary understanding and hone their retrieval skills. Keep up the good work Lions.

**Lions - Year 6**

The pupils have enjoyed learning about the life cycle of birds in science.

**Flamingos- Year 5**
