Behaviour - Traffic Lights

At the Academy, we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be demonstrating our 3 Woodhouse Ways: Be Responsible, Be Respectful: Be Safe. The totals below show many children have achieved this each week.

This week 223 out of 223 children have achieved this.

Parents tell us that sometimes they regret keeping their children home from school when they are unwell. They phone school and cancel work for the day but a child who appears desperately unwell at 8:00am can be dancing around the living room by 10:30am. You know yourself; you often feel worse when you have just woken up. For this reason, we are copying some other Delta schools and introducing a second phone-call home at 11am for children who are off school, to see if they might be able to come back to school for the afternoon session. The pace of the curriculum is fast and we want to give every child in our school every opportunity to keep up with their peers in class.

Each half term school has the attendance train . It works its way through school picking up pupils who have had 100% attendance for the previous half term. I'm so pleased to say it picked up an amazing 76 pupils! The pupils get to have a boogie around school, a sticker and a prize from the trolley.

Stars of the week

Tigers: Freddie!
Pandas: Sierra!
Hedgehogs: Bertie!
Squirrels: Sofia!
Owls: Ella!
Koalas: Frankie!
Lions: Teddi!

Flamingos: Evie!

Last week in nursery we have been learning about Jaspers Beanstalk! We have been reading the book, using blocks to build beanstalks, and finding worms outside.

Last week in our music lesson, we enjoyed listening to "Lovely Day". We all tried to find the pulse by clapping, tapping, or clicking! Raven then performed a beautiful rendition of "The Wheels on the Bus" which we all joined in with.

Pandas - FS2

We are all learning about seasons and the weather this half term! Year 1 have made some beautiful season wheels this week.

Hedgehogs - Year 1

Super well done to Y2 who tried hard last week in their class assembly. They were excited to share all their hard work with their adults and Y1 and Y4. Thank you to all that came and made it memorable for the children.

Squirrels - Year 2

Oliver wanted to show me his impressive artwork in after school club. I was genuinely wowed! Such good pencil, skill & control. I think we have a little artist on our hands.

Owls - Year 3

Year 4 had a lovely visit from our caretaker Mr Kirwan! As part of our career's education, Mr Kirwan talked about his job and his experiences. The pupils were eager listeners and asked some great questions!

Koalas - Year 4

Last week we have been learning all about gears. We have been learning all about gear ratios.

Flamingos - Year 5

Year 6 Lion class are continuing to read The Boy in the Striped Pyjamas by John Boyne. Last week we investigated other characters relationships with father. Tom looked at Maria the maid and how father had helped her - this showed a more caring and softer size. Amazingly, John Boyne responded to Tom. I'm so impressed when famous authors comment and respond to our pupils.

Well done.

Lions - Year 6
