Behaviour – Traffic Lights

At the Academy, we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be demonstrating our 3 Woodhouse Ways: Be Responsible, Be Respectful: Be Safe. The totals below show many children have achieved this each week.

This week 223 out of 223 children have achieved this.

Well done!

This week, Nursery have been learning about the Chinese New Year! We had a guest come in and do activities with us, we've had snacks, and decorated art together!

Tigers - FS1

Last week our Perfect Pandas enjoyed being Scientists! We observed what happens when a Gingerbread man is put in different puddles. We found it all very exciting and recorded our results too!

Pandas - FS2

Year 1 loved hot seating the character from our class book – The Tin Forest. We are really enjoying reading this book and deciding why the old man lives in his tin house and what he dreams of seeing!

Hedgehogs - Year 1

Year 2 have been thinking about how to keep healthy in their science lessons. They have been investigating the ways exercise can make our body feel. We found our heart beats quicker and we become hotter too!

Squirrels - Year 2

Brownies are back by popular demand in Year 3 baking, this week!

Owls - Year 3

This week Y4 have been learning about states of matter in science! They observed the different properties of solids, liquids and gases!

Koalas - Year 4

Year 5 have been really enjoying their P.E lessons recently.

Flamingos – Year 5

Year 6 have been working hard this week writing their own portal story. We first looked at portal stories we already knew such as: Alice in Wonderland, Harry Potter, Jumanji and The Lion, the Witch & the wardrobe. We are using a new editing technique where we write our story, then stick tracing paper over the top. We then edit in purple pen on the tracing paper. We are enjoying this as it doesn't make our work look messy and you can see our improvements.

Lions - Year 6
