Appendix 2 Reward and Consequence System

Possible Rewards	
Pupils are rewarded for good behaviour and work. Rewards are linked to the school rules, good attendance and punctuality and displaying positive learning behaviours. These rewards are often given as Dojo points and can be swapped for prizes. Celebration assembly- selected pupils' work and positive learning behaviours are celebrated. Other rewards include positive verbal feedback, stickers, a visit from the Muffin Fairy and certificates and other in class awards. There are also Class Rewards for reaching the class target or Attendance target.	
Possible consequences	
C1 Friendly Warning: A warning can be given for low level behaviours such as shouting out, talking when not appropriate, and distracting others. State what is happening and give rule reminder	
C2 Amber	Name will be moved onto Amber. Child will be reminded about the importance of keeping the school rules.
C3 Amber One Tick	Name will be moved onto Amber -tick Lose 10 minutes playtime or lunch time. Names recorded in Reflection Book.
C4 Amber Two Ticks	Name will be moved onto Amber – 2 ticks At this point the pupil must leave the classroom and have 5 minutes with an adult chatting about how they could reset their behaviour. (or reflecting alone if appropriate) They will lose 15 mins playtime or lunch time C4s must be recorded in the Reflection Book.
C5 Red	Name will be moved onto Red Given for repeated unacceptable behaviours moving through the consequence system Or for incidents such as walking out of class, refusing to follow a reasonable instruction, swearing, hurting another child, threatening behaviour, destructive and/or unsafe behaviour. The pupil will be issued with a lunchtime reflection (am) or a period of time in another classroom with work (pm). **Their behaviour will be recorded on CPOMS.** Progression to a C5 may result in exclusion; this will be issued for extreme behaviours such as physical violence against another pupil or adult, including threatening behaviours or actions listed in the peer-on-peer abuse policy. Health and safety issues such as frequent non-compliance, refusal to follow behaviour policy.
